ORIGEN OF ALEXANDRIA – HIS TIME, HIS TEXTS AND HIS THEOLOGY

The objective of this course is to reach a comprehensive understanding of the time, the texts and the theology of Origen of Alexandria. During the course we will seek answers to questions such as: How do Origen's texts and theology reflect his context (chronological, geographical, literary, and philosophical)? How are the literary expressions of his theology (literary genres)? What are the main topics of his theology (God, creation, Man in relation to God and the world, christology, soteriology, eschatology).
